

E² Energy to Educate Grants

Tell me more! How do I apply for funds?

Identify a project that reaches at least 100 students and aligns with the Constellation Energy to Educate Innovation Themes:

Smart Home

- How will new technologies & artificial intelligence transform our home energy usage in the future? More and more, homes are generating their own electricity and interactive technology is becoming a part of our daily lives.
- Sample topics: Onsite generation, Smart Home Energy Tech, Voice & Gesture Interfaces, Home Energy Data

Electrification

- What will the future of transportation look like? New technologies can power us into a cleaner energy future via electrification.
- Sample topics: Electric Vehicles, Electric Buses, Electric Charging Infrastructure, Fuel Conversions

Clean Energy & Zero Waste

- How do we understand which energy sources & choices will have the greatest impact on our collective and individual carbon footprint? What if we could harness and store energy that would otherwise be wasted? The recycling & storage movement is catching on in energy thanks to innovative technologies.
- Sample topics: Low Carbon Energy, Clean Energy Sources, Waste to Energy, Combined Cycle, Biomass, Energy Storage, Fuel Cells
