Tell me more! How do I apply for funds?

- Identify a project that reaches at least 100 students and aligns with the Constellation Energy to Educate Innovation Themes:
  
  **Energy in Transportation**
  - What will the future of transportation look like? From electrification to compressed natural gas, new technologies are fueling us into the future.
  - Sample topics: Electric Vehicles, Electric Charging Infrastructure, Compressed Natural Gas Stations
  
  **Backyard Generation**
  - Could your next home improvement project be generating your own energy? More and more, decentralized energy generation is improving efficiency and resilience.
  - Sample topics: Fuel Cells, Battery Technology, Community Solar, Advanced Nuclear Reactors
  
  **Zero Waste**
  - What if we could harness energy that would otherwise be wasted? The recycling movement is catching on in energy thanks to innovative technologies.
  - Sample topics: Waste to Energy, Combined Cycle, Biomass, Energy Storage
