Municipal Aggregation Program FAQs

Who is Constellation?

Constellation is a leading supplier of energy products and services to electric and natural gas customers in 48 states, Washington, D.C. and Canada. We have been helping customers navigate competitive energy markets for as long as customers have had a choice of their energy supplier and have provided affordable energy to businesses nationwide for years.

Where can I learn more about electricity electric choice and assistance programs?

Additional information can be found at www.PlugInIllinois.org. The Illinois Commerce Commission (ICC) has assistance programs to help customers with their energy bills. Eligibility and enrollment information can be found on the ICC's website at www.icc.illinois.gov.

What are questions that can be directed to my Utility?

Please contact Ameren at 1-800-755-5000 for questions on the following topics:

- Problems with your electricity service
- Questions about your bill
- Tax exemptions

How do I know if the residential rate class that I am in is eligible for your service?

Residential customers on non-hourly rate classes are eligible for our service. Please carefully review all details provided in our terms. You can find your rate class and any special provisions on your bill.

What is the rescission period?

Ameren will provide you a notice confirming your enrollment with Constellation that provides you a period during which you may rescind such enrollment. Please follow the instructions on the enrollment notice if you would like to rescind.

Are there fees associated with the program?

Enrollment in the program is free and you need not take any action. You only need to be eligible to participate. Once enrolled in the program, you can cancel your agreement at any time and switch back to Ameren without any fee.

What if I am with another supplier and want to join my community's program?

Based upon the records provided by the utility, we assumed you are not with another supplier; otherwise we would not have sent you this notice. If you recently signed up with a new supplier, you will not be automatically enrolled; if you wish to join the program, you should check the terms of your new agreement for any restrictions and then contact Constellation.

What does "optout" mean?

"Opt-out" means that we are operating under the assumption that you want to participate in your community's Municipal Aggregation Electricity Program but you can decide not to participate. You can opt-out by returning the opt-out form included in your mailer or through the call center using the phone number provided. If you opt-out, you will not be enrolled as an electricity customer with Constellation and will continue to be served by your current supplier. You will also not receive your community's competitive electricity price. Regardless, all customers will continue to have their electricity distributed by Ameren.

How is my community able to choose a certified electricity supplier on the community's behalf and who is eligible?

Residents voted to give the community the ability to negotiate a contract for an electricity supplier.

All eligible participants in the program will receive notice of the new program rates, terms and conditions, and will have the option to opt-out from participation. In order to be eligible you must meet the following requirements:

1. You must not have already chosen an electricity supplier on your own.
2. You must not be in arrears on your bill payment.
3. Your service address must be located within your community's limits.
4. Your utility company must be Ameren.
5. You must be a small commercial/ industrial customer using not more than 15,000 kilowatt hours per year or you must be a residential customer.

How did my community develop this Program?

Pursuant to Section 1-92 of the Illinois Power Agency Act ("Act"), 20 ILCS 3855/1-92, each Illinois municipality is authorized to aggregate the electric loads of small commercial and residential customers located within its municipal boundaries. As part of the aggregation, each municipality may solicit bids, select an Alternative Retail Electric Supplier, and enter into a service agreement to facilitate the purchase of electricity and related services and equipment on behalf of its residents and small businesses. In accordance with the Act, your municipality passed a resolution authorizing a referendum for the community on the community's ballot asking the public for authority to create an opt-out Aggregation Program for its residents and small business customers, which was approved by the residents of the community.

What happens if I do not send in the opt-out form?

If you do not opt-out prior to expiration of the deadline, you will be deemed to have authorized and agreed to being enrolled in your community's Municipal Aggregation Program and to having your electric supply service switched to Constellation. However, you have the option to terminate your participation in the program at any time without incurring an early termination penalty.

I am currently under the budget billing option as provided by Ameren. Can I retain this service?

If you have chosen budget billing, the utility will continue to manage your budget billing and determine your monthly payment for electricity or if you wish to initiate budget billing or have any questions regarding your budget, please contact your utility for more information.

What is Municipal Aggregation and how can I benefit?

Under municipal aggregation, local officials bring the community together for improved group purchasing power. The community benefits by receiving competitively-priced electricity from an Alternative Retail Electric Supplier licensed by the Illinois Commerce Commission.

What information do I need to opt out?

Customers will need the 4-6 digit opt-out code provided on the original Opt-Out Reply Card. If this is not available, the customer care team can pull up your information based on the service address.

What happens at the end of the electricity aggregation term?

Your community will rebid the term and price on behalf of residents or customers participating in the aggregation program will be returned to Ameren. You will be notified of the outcome by the municipality and/or supplier for the new term.

Will I be allowed to join the program after the initial enrollment period?

Your community has secured the same electric supply rate, terms and conditions for eligible customers who wish to join its municipal aggregation programs after the initial enrollment period. This would include customers who move into the community, who were with another supplier and would like to join the aggregation program or customers who initially opted-out and want to join at a later date. These customers will have an individual agreement with Constellation for electricity supply but will retain the same electric supply rate, terms and conditions of the aggregation programs.

Please refer to the enclosed letter and Terms and Conditions for program pricing and further information. If you have any additional questions, please contact Constellation's Customer Service Department, 24 hours a day, 365 days a year.

DAMAGES AND RELIEF TO YOU AND MUST HONOR THE SAME TERMS IN THIS AGREEMENT AS A COURT WOULD. IF THE LAW ALLOWS FOR AN AWARD OF ATTORNEYS' FEES, AN ARBITRATOR CAN AWARD THEM TOO. BOTH YOU AND CONSTELLATION ALSO AGREE THAT:

A) The federal arbitration act applies to this Agreement and governs any arbitration between you and Constellation. Prior to initiating any arbitration, you and Constellation both agree to try to resolve any dispute informally. To initiate informal dispute resolution, contact our customer care department in one of the ways identified in this Agreement. Constellation will assign someone to attempt to resolve the dispute.

B) If the dispute is unable to be resolved informally within ninety (90) days after the Party raising it informed the other in writing of the nature and basis of the dispute and made a written demand ("Demand"), either Party may seek formal arbitration. Any arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules are available online at adr.org, or by calling the AAA at 1-800-778-7879. The arbitrator is bound by the terms of this Agreement and all issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. This dispute resolution provision does not preclude you from bringing any issues you may have to the attention of any governmental authorities.

C) **YOU AND CONSTELLATION BOTH AGREE THAT THIS AGREEMENT DOES NOT ALLOW CLASS ACTIONS IN COURT OR CLASS ARBITRATIONS, EVEN IF THE AAA PROCEDURES OR RULES WOULD ALLOW SUCH PROCEDURES. RELIEF MAY BE AWARDED ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF WARRANTED BY THE PARTY'S INDIVIDUAL CLAIM. IF FOR SOME REASON, THE CLASS ACTION WAIVER IS UNENFORCEABLE THEN THE AGREEMENT TO ARBITRATE WILL NOT APPLY.**

D) Any arbitration hearings will take place in the county of your billing address. If you are unable to pay the AAA filing, administration, and arbitrator fees for any arbitration properly initiated seeking damages up to \$10,000, Constellation will pay such amounts. Otherwise, the payment of these amounts will be governed by the AAA Rules. In addition, for claims less than \$10,000, any arbitration hearing may be held telephonically.

E) If the arbitrator issues you an award that is greater than the value of our last written settlement offer made prior to an arbitration hearing, then Constellation will pay you three times the amount of the award; and your attorney twice the amount of attorneys' fees, and reimburse any expenses reasonably incurred for pursuing your claim in arbitration. If the award in your favor is lower than our offer Constellation will only pay you the amount of the award. Any arbitration award will be final and binding and judgment confirming the award shall apply only to the specific case to enforce the award in that case.

F) **IF FOR ANY REASON A CLAIM PROCEEDS IN COURT, YOU AND CONSTELLATION BOTH AGREE THAT BOTH PARTIES ARE WAIVING A RIGHT TO A JURY TRIAL.** This dispute resolution provision shall survive termination of the Agreement.

G) Nothing in this Agreement shall impair your right to make an informal or a formal complaint to your applicable state Commission.

19. Miscellaneous: This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard for the conflicts of law provisions thereof. There are no third party beneficiaries to this Agreement and none are intended. You may purchase electricity supply service from an alternative retail electricity supplier, such as Constellation, or from the Utility. You may also request from the Illinois Power Agency, free of charge, a list of all supply options available in a format that will allow comparison of prices and products. The most up-to-date information is available online at www.PlugInIllinois.org. If you are a net metered customer and switch suppliers, you may forfeit credits for electricity supply service and delivery service. Subject to regulatory approvals and any required notice from Constellation, Constellation may assign this Agreement without your consent. You may assign this Agreement only with Constellation's prior written consent. The Agreement shall be considered the entire agreement between the Parties, superseding all verbal and written understandings. This Agreement shall only be amended in a writing signed by both Parties or in accordance with the Renewal process identified in Section 3. Customer or the individual undertaking this decision on your behalf warrants that he or she is authorized to (a) enter into this Agreement on your behalf, (b) make decisions with respect to the Accounts, and (c) enroll with and change the Accounts' electricity supplier to Constellation. You should contact the Utility in the event of an electric emergency at the phone numbers identified in Section 9.
