Dear Resident or Small Business:

In November 2008, Village of Fredericktown voters authorized the creation of a natural gas aggregation program. Your community selected IntegrYS Energy Services – Natural Gas, LLC (“IntegrYS Energy Services”) as the program supplier. As an eligible resident or small business, you will be automatically enrolled in the program unless you opt-out by October 8, 2014.

Your service is estimated to begin with your November 2014 billing. This is an estimate only and will depend upon your meter read cycle and when your local utility accepts your enrollment.

How You Benefit

You have the following rate option which can be canceled at any time without penalty:

- Locked-In Price with Flex Down OpportunitySM Rate. This option includes a price cap of **\$0.628/ccf**. Your price will never exceed this price cap during the established capped period. If market prices decrease during a capped period, your monthly price could also decrease. To participate in this rate option, you do not need to take any action.

Please see the enclosed Terms and Conditions for full details regarding the rate option and other terms of the program.

Three things you should know

- ✓ If you do nothing, you will be automatically enrolled in the Village of Fredericktown program.
- ✓ Columbia Gas of Ohio will continue to send monthly bills, respond to outages, and deliver your electricity.
- ✓ No one from IntegrYS will come to your door to ask you to switch to a new supplier. Anyone who does is not with the Village of Fredericktown program.

To participate in the program, **DO NOT** return the card below

If you do **not** wish to participate, fold and tear at perforation and return this portion in the enclosed envelope.

NOTIFICATION OF INTENT TO OPT-OUT

I do not wish to be part of the Village of Fredericktown Natural Gas Aggregation program. By returning this card, I am officially opting-out of this program.

Other than the price and supplier, nothing regarding your natural gas service will change. You will continue to receive one monthly bill from Columbia Gas of Ohio. Columbia Gas will continue to deliver your natural gas and be responsible for maintaining the system that delivers natural gas to your home.

Be sure to note “Village of Fredericktown Aggregation Program” on the certificate. Integrys will not charge sales tax beginning with the date the certificate is received.
