Buyer may cancel its enrollment without penalty within seven (7) business days of the postmark date of that letter (“Rescission Period”) by contacting the Utility in writing or by telephone as noted in that letter.

2. Delivery Period: Service shall begin as soon as the Utility accepts your enrollment. Service shall continue at the Price noted herein through the October 2016 meter read date. Prior to the end of the initial Delivery Period, Seller shall provide Buyer notice of any changes to the terms and conditions of this Agreement that apply to service during the next Delivery Period. If renewal is indicated in the expiration notice, service will renew at the terms stated in the renewal notice unless Buyer affirmatively terminates the Agreement upon the expiration as provided in the notice. Buyer shall have the opportunity to opt-out of the Aggregation Program at least every two (2) years without penalty.

3. Supplier’s and Utility’s Role: Seller agrees to sell to Buyer and deliver to the Utility, and Buyer agrees to purchase from Seller and receive from the Utility, Buyer’s full requirements of natural gas for the accounts listed on the Enrollment Notice (“Accounts”). The Utility’s billing and payment procedures shall apply in accordance with the applicable tariff, including but not limited to, the Utility’s right to assess late payment fees and to disconnect gas service for past due charges. The Utility or Seller may terminate your service under this Agreement for non-payment with at least fourteen (14) days written notice. Seller may cause the Utility to correct previous invoices in the event of invoicing errors. Buyer should contact the Utility in the event of a natural gas emergency.

4. Price: The price for the Delivery Period will be the Locked-In Price with Flex Down OpportunitySM Rate which is capped at \$0.628/ccf (inclusive of the Delivery Adder). The Delivery Adder is based upon several factors, including, but not limited to: the monthly market price for transportation to the point of delivery, shrinkage, Btu adjustment and pooling fees. The Locked in Price with Flex Down OpportunitySM Rate is calculated based upon the sum of the weighted average “Market” prices when the price cap is locked by the Village of Fredericktown (855) 713-4487, plus a Delivery Adder as calculated by Seller for the Delivery Period. Each month, Seller will compare the cap to the then-current weighted average Market price for the remainder of the Delivery Period and may adjust the monthly price to account for a downward or upward pricing trend within the Delivery Period, however *the price with the Locked-In Price with Flex Down OpportunitySM Rate will never exceed the cap during the Delivery Period.*

The “Market” price is a current price for the relevant month’s natural gas futures contract that is traded on the New York Mercantile Exchange (“NYMEX”) on the day the price is determined. The “Market Settlement” price is the Market price at settlement for the relevant month as determined by NYMEX.

The Price includes all gas supply costs to the Utility and some pass-through charges from the Utility to the burnertip, including, but not limited to, btu factor and shrinkage. If the pass-through charges from the Utility increase, or if new charges are approved by a governmental agency with jurisdiction and passed through, or if existing tariff charges are administered differently and the pass-through charges from the Utility increase, the Price will increase accordingly. There are no recurring or nonrecurring supplier charges that are billed in addition to the Price. A switching fee may apply under the terms of the Utility’s tariff. **Seller shall not charge You separately for any switching fees.** The Price does not include Taxes (as defined below) or Utility distribution charges.

5. **Taxes:** Buyer is responsible for all state and local sales, use, revenue, gross receipts, commercial activity, excise and/or ad valorem tax (collectively, "Taxes") and shall reimburse Seller if Seller is required to remit such Taxes in connection with this Agreement.
