Dear Sample Customer,

In November 2008, Lockland Village voters authorized the creation of a natural gas aggregation program. Your community selected Constellation Energy Services – Natural Gas, LLC (Constellation) as the preferred supplier.

You're Automatically Enrolled

You have the following rate options which can be canceled at any time: **Option 1:** Locked-In Price with Flex Down OpportunitySM Rate. This option includes a price cap; your price will never exceed the price cap during the established capped period. If market prices dictate during a capped period, your monthly price could also decrease. Initially under this option, you will pay a monthly variable rate. Constellation and your community will monitor the natural gas market and, if market rates decrease, a price cap will be established. At that time you will be notified as to the price and duration of the capped period. If you choose this option, you do not need to take any action. **Option 2:** You can choose a monthly variable rate. To participate in this option, you must call us at (877) 885-4344. For either option, please see the enclosed Terms and Conditions for full details regarding the rate option and other terms of the program.

How To Opt-Out

If you decide not to take part in the program, please respond using one of the methods below by August 22, 2016:

- 1. **Mail:** Return the form below in the pre-addressed stamped envelope
- 2. **Phone:** Call Constellation at 877-885-4344
- 3. **Web:** Visit www.constellation.com/oh-lockland

We look forward to this collaboration.

Sincerely,

Ron Cardwell,
VP, Mass Markets
