

## Electric Aggregation Opt-Out Frequently Asked Questions

**Q: What is aggregation?**

**A:** Under governmental aggregation, local officials bring the community together for group purchasing power. The community benefits by receiving competitively-priced electric from a retail supplier certified by the Public Utilities Commission of Ohio.

**Q: How is my community able to choose a certified electric supplier on my behalf?**

**A:** Residents voted to allow the community to negotiate a contract with an electric supplier on their behalf.

**Q: How do I enroll?**

**A:** Eligible residential or small business customers will be automatically enrolled.

**Q: Who is eligible for the aggregation program?**

**A:** Most residential and small business customers residing within the community receiving electricity from the local utility are eligible (local utilities include: AEP Ohio, Duke Energy Ohio, First Energy, and DP&L).

**Q: Who is not eligible?**

**A:** Residential and business customers who are not eligible for automatic enrollment in the program include:

- A customer that is not located within community boundaries
- A customer who appears on the PUCO's "do not aggregate" list
- A customer who is in contract with another electric provider
- A customer who has a special contract with the electric utility company
- Customers who are behind on their payments to the utility
- A mercantile customer that has not provided consent to join the program. "Mercantile customer" means a commercial or industrial customer if the electricity consumed is for nonresidential use and the customer consumes more than 700,000 kWh/ year or is part of a national account involving multiple facilities in one or more states.

**Q: Are the rates fixed or variable?**

**A:** The rates are fixed. Please see the Terms and Conditions for details.

**Q: When will I see my new rate?**

**A:** Customers can expect to see the new rate one to two billing cycles following your enrollment in the program. Please note: supply rates do not include taxes, delivery service charges or other utility fees.

**Q: Who will bill me for electricity?**

**A:** You will continue to receive one monthly bill from your local utility company.

**Q: Can I still have my payment automatically deducted from my checking account as I do now?**

**A:** Yes. How you pay your electric bill will not change.

**Q: Who do I call to report a power outage or problems with my electric service?**

**A:** You will contact your local utility company to report a power outage or problems with your electric service, including billing questions.

**Q: What if I have already selected another supplier?**

**A:** Based on the records provided by the utility, we assumed you are not with another supplier. However, if you recently signed up with a new supplier, carefully review the terms and conditions of that agreement before proceeding as your ability to terminate early with that supplier may be restricted.

**Q: Is there an early termination fee for leaving the program outside of the 21 day opt-out period?**

**A:** No, there is no early termination fee.

**Q: Who do I contact if I have additional questions about this offer?**

**A:** If you have additional questions about the program, please contact Constellation.
