

Protection Plans

Our Protection Plans provide budget protection against unexpected repair bills

System breakdowns are often unexpected and costly. Our Protection Plans are simple — when something breaks, Constellation comes out to fix it and you pay nothing for covered parts and labor. That's right, you pay nothing. No copays. No deductibles.

Electric Supply + Equipment Protection

By choosing a fixed-rate electricity plan and a Protection Plan, you protect your family budget with a locked-in electricity price and breakdown protection from unexpected repair costs.

When it comes to protection, you've got choices

With Constellation as your electricity supplier, you'll have peace of mind with a fixed supply rate to help you manage your energy costs. And with our home service Protection Plans, we can also take the worry out of budgeting for unexpected repairs to your home's air conditioning, heating and water heating equipment. We also have other service plans available in order to meet your needs.

With all our plans, you'll enjoy:

Unlimited Service Calls: You'll pay \$0 for covered parts and labor* and \$0 deductibles

Quality Service from Local Professionals: Constellation Authorized Service Providers are carefully screened, trained and certified to deliver the ultimate customer experience.

Depending on the plan you choose, you may also get:

Annual HVAC System Tune-Up:

A comprehensive tune-up helps ensure everything is running smoothly.

In-Home Electric Coverage: Covers switches, receptacles, light fixture repairs and more.
