

Jim Calabrese

Chief Information Officer, Constellation

Profile

A 23-year veteran of the energy industry, Calabrese leads the IT team enabling Constellation's wholesale and retail businesses. In this role, Calabrese oversees all IT operations, services, and projects for Constellation, and focuses IT investments to maximize value.

Professional History

Calabrese has held a variety of IT leadership positions at Exelon and has been responsible for commercial applications and projects, strategic planning, merger and acquisition assessment and integration, infrastructure operations, organizational transformation, process management, and large utility project delivery. He has worked in Exelon's commercial, generation, utilities, and corporate functions. Calabrese joined ComEd in 1992 where he filled a variety of IT programming and design roles.

Civic Involvement

Calabrese is on the board of the Economic Alliance of Greater Baltimore, a not-for-profit economic development organization focused on developing Baltimore's information technology industry.

Education

Calabrese received a bachelor's degree in mathematics from Purdue University.

Family

Jim resides in Baltimore with his wife, Colleen.
