

Real Stories, Real Success: Business Journeys with Constellation

Learning Express.

“Competitive electric supply rates, great customer service and a much easier experience overall; Constellation has been very good, and I would recommend them to other business owners.”

Customer Profile.

Learning Express is a toy retailer serving customers with a wide range of products. The business focuses on providing dependable service and a positive experience for customers.

The Challenge.

Energy management was a major frustration for Learning Express. When it came time to look for a new energy provider, having peace of mind and confidence in the provider became essential.

The Solution.

When evaluating their energy options, Learning Express prioritized working with a supplier they could trust. Customer service and reputation were the deciding factors in choosing Constellation. The transition was easy to manage, helping simplify their energy experience day to day.
